### Other Information:

This is a fantastic opportunity for creative students, wanting to gain a unique experience, whilst supporting a charitable organisation. Raising funds for the new site project.

### About the Company:

- Random Café is a pop up café, part of The Real Junk Food Project initiative, diverting food which has been donated by food establishments, that are destined to be thrown away.
- The collection of food and drinks are transformed into unique meals and prepared for consumption, by dedicated volunteers, who host regular cafes. Enabling customers to make a reasonable donation for what they wish to have. Any food that is not used to make meals, is then made available on a donation basis in a pop up shop.
- Random Café are now developing a new site, Meriden Gardens and Café. There will be polytunnels and raised beds for growing fruit, vegetables and flowers. There are plans for a purpose built café to be constructed on site.
