Other Information:

This industry placement will welcome students from a range of disciplines in particular Marketing, Media and Journalism.

About the Company:

- We are a well established supplier of Hair and Beauty products, trading as a family business for over 25 years.
- We launched our online trading identity, Hair Heaven, back in 2002, which is constantly expanding.
- Our main premises are based in Bushey, with a small friendly team of people. Attached to our offices is our store for all our customers to visit as well as our warehouse for all our products.

Address: 137 Bournehall Ave, Bushey, WD23 3BD

Website: www.hairheaven.co.uk

Your Job Role:

- We are seeking a photographer to capture great imagery and content for our digital channels to support the launch of our new premium electrical brand.
- You will be working alongside a team and given a brief to create high quality and consistent images.
- Part of your role will include retouching still images to a high standard, ensuring imagery is finalised in line with the product launch schedule.
- Develop and maintain excellent working relationships with the team and other departments within the industry.
