Other Information:

This is a fantastic opportunity to develop experience in a specialist role. DBS required.

About the Company:

- Osborne was founded in 1966 and are a leading construction company in the UK partnering locally with Dacorum Borough Council on the maintenance and repair of domestic and commercial properties.
- Their expertise is associated with the built environment in design, project management, property maintenance, construction, property development and investment. We work across housing, offices, the railways, hospitals, student accommodation, roads, airports, civic buildings, public realm, schools, colleges and universities.

Address: 4 Maxted Court, Maxted Road, Hemel Hempstead, HP2 7BY & on-site locations

Website: www.osborne.co.uk

Your Job Role:

- You will work in their customer's homes undertaking general multi-trade duties and assisting on site generally.
- You need to be reliable, conscientious and willing to undertake a variety of tasks.
- Whilst shadowing, you will learn about working within a public space/pedestrian zone, recycling and preserving construction materials and preserving historical, artistic and architectural designs.
- The competencies you will develop are: taking responsibility, problem solving and teamwork.
